

NISHANT GAUTAM

B.Tech CSE (Artificial Intelligence) Student | AI Engineer | Data Analytics

Muzaffarnagar, Uttar Pradesh | 8447664781 | 123.nishantgautam@gmail.com

CAREER OBJECTIVE

Motivated first-year B.Tech Computer Science (Artificial Intelligence) student seeking opportunities as a Data analytics/ Data engineer/ AI engineer internship.

Skilled in Python, SQL, Microsoft Excel, Data Analysis, Data Cleaning, Problem Solving, and Database fundamentals.

Familiar with Machine Learning, Pandas, NumPy, and basic Data Visualization, with a strong analytical mindset.

EDUCATION

KIET Group of Institutions, Ghaziabad

B.Tech – Computer Science & Engineering (Artificial Intelligence)

Second Year

TECHNICAL SKILLS

Programming

Python • Java • C

Object-Oriented Programming

OOPs in Python • OOPs in Java

Data & Database

Microsoft Excel • SQL • Database Management Systems (DBMS)

Machine Learning

Machine Learning • Regression • Linear Regression • Logistic Regression • Classification • Decision Tree • Confusion Matrix

Artificial Intelligence & Data Science

Artificial Intelligence Fundamentals • NumPy • Pandas

Computer Science

Data Structures & Algorithms • Problem Solving

PROJECTS

Data Analysis & Data Cleaning Practice

- Data Cleaning
- Basic Data Visualization
- CSV Handling

CERTIFICATIONS

- Introduction to Artificial Intelligence
- Introduction to Data Science
- AWS Certified AI Practitioner

SOFT SKILLS

Analytical Thinking • Problem Solving • Collaboration • Communication • Teamwork • Time Management • Quick Learning
